Students are assessed regularly in Art through a combination of formative and summative assessments. An observational drawing baseline test is completed by all students at the start of the year, or on entry to the class in term 1. The test is assessed by the teacher, providing a baseline against which to mark progress during the year, (A03 Record) useful for new students.

Whole class feedback takes place throughout every lesson and informs weekly planning. Re-teaching occurs wherever necessary as a result of whole class sketchbook analysis during and at the close/start of lessons. Marking in sketchbooks is kept to a minimum. Teachers are encouraged (rather than to write the same phrase in sketchbooks multiple times e.g.) to reteach what is required (addressing misconceptions) and add the learning point to the lesson objectives*.

Individual feedback takes place in 1:1 teacher conversations during lessons. Students receive verbal feedback throughout lessons as they are learning techniques and creating art, craft and design.

Key knowledge is tested with questioning every lesson, teachers check for understanding of knowledge, processes, safety and techniques throughout each lesson. Students are taught how to give and record a personal response to art, craft and design as well as how to write about art, craft and design and to take insp83E72 BT/Fd7o take
