4. Assessment

- g. u # t either on or before their first day at school.

6. Time Allocation and Format of Collective Worship

Collective worship should be at least 20 minutes per morning. This does not include any time

Worship. Collective Worship time can be in whole school, Key Stage or individual class groupings. There are three meditations per day (before lessons starts, before lunch and at the end of the day). These meditations will be different for the faith schools and the community schools.

7. Withdrawal

Collective Worship at Avanti schools forms a core part of the educational, character and spiritual experience. Collective Worship is inclusive and we encourage all students and staff to attend. Students and staff do have a right to withdraw from Collective Worship and we suggest that any such withdrawal take place after understanding the nature of Collective Worship and working with the school to see if/how the Collective Worship provision might be adapted to enable their participation, or at least their non-participatory observation. If the right to withdraw is exercised by a student, the school must make alternative provision for them that is linked with the Avanti Way and core principles.
